Medical Days  
**7th edition**  
26th-28th July, 2012  
**Romania**

Dear colleagues,

It is our pleasure to invite you to the 7th edition of the Medical Days of Moinesti Emergency Hospital, which will be held between July 26-28, 2012.

The scientific agenda will touch upon hot topics in the field of medical and surgical specialties. Reknown specialists from Romania and abroad will share their success and expertise. Following the last years tradition, the guest experts will perform demonstration surgeries which will be transmitted live in multiple locations through an innovative video transmission system.

Moreover, the scientific conferences that will take place will allow participants to interact with each other and with the guest experts, sharing their knowledge, experiences and interests. The topics will concentrate on the newest trends in the third millenium medicine.

We are convinced that The Medical Days of Moinesti Municipal Emergency Hospital will be a success. We look forward to meeting all of you in Moinesti.

Dr. Adrian Cotîrleț, MD, PhD  
Manager of Moinesti Emergency Hospital
